## PARKING FOR HIGH HOLY DAYS

Shana Tovah! In advance of the High Holidays, the Temple has arranged with the City and the County for the following available street parking. To avail yourself of these street parking spaces, please pick up a parking placard at the Temple (or print at home using this link: <https://www.betheljc.org/parking-sign/>) for display in your vehicle.

Jersey City has agreed to ease the enforcement of parking regulations with regard to the bus stops, crosswalks, intersections, and street cleaning on Gifford, Bentley, and Harrison Avenues, from West Side Avenue to Bergen Avenue. Of course, it is important to be a good neighbor so enforcement will continue as usual with regard to fire hydrants and driveways, and to the extent that anyone parks in a manner with regard to crosswalks and intersections that presents a danger to the larger community. If you are parking in one of these spaces, please display your placard in the rear window on the driver's side of your vehicle.

Hudson County has agreed to allow congregants to park on Belmont Avenue/Lincoln Park Entrance between Kennedy Boulevard and West Side Avenue. If you are parking in one of these spaces, please display your placard in the front window on the driver's side of your vehicle.
