Join us for an Interfaith Summer Children's Program where we will explore what it means to **"love your neighbor"**. Using a program developed by the producers of "Mr. Roger's Neighborhood", children ages 5 (completed kindergarten) to 12 will create their own neighborhood and learn what it means to build community together.

There will be music, crafts, games, snacks and lots of fun! The event concludes with a block party celebration for children and their parents on Thursday evening, August 23rd from 6:00 – 8:00 pm.
